Re: Meadowbrook Estates- Extension of Water District No. 13
Our File No. 4562-035

Dear Supervisor Meyers and Board Members:

Enclosed please find a fully executed petition to extend Water District No. 13 to encompass the above referenced property. The property consists of parcels designated on the Town of New Windsor Tax Map as Section 65, Block 1, Lots 61.1, 61.2 and 78, and parcels formerly in the Town of Cornwall identified as Section 4, Block 1, Lots 9.22 and 11, which have been annexed to the Town of New Windsor.

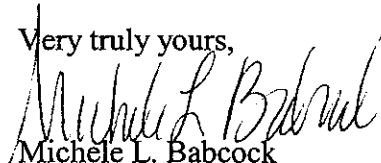

Attached to the petition is a map, plan and report, and metes and bounds description of the proposed district extension area. Additional copies of the map, plan and report and the petition are being simultaneously transmitted by copy of this letter to the Town attorney and Town engineer.

The existing Water District No.13 is contiguous to the property along the property's northern property line. The property is the subject of a pending application before the Planning Board for approval for 90 single family homes.

I would appreciate the Town Board setting a hearing for this matter at its earliest possible convenience.

Thank you for your courtesy and cooperation in considering this matter. Please feel free to contact me should you have any questions.

Very truly yours,

Michele L. Babcock
